

PARENT ANNOUNCEMENT

LUNCH CARD SWIPE SYSTEM

Starting **November 9, 2009** all students at KHS and KMS will use their student ID as a debit card to pay for lunch. Prior to that date, parents/students will need to pay in advance to put money on their account. Then, each time a student purchases a lunch, they will swipe their student ID and one lunch will be deducted from their account. Students can still pay cash for lunches at the time of purchase, however we encourage everyone to put money on their account and utilize the swipe card.

Loading a student account:

Starting November 2, 2009, parents can send in money to be placed on their child's account. Checks are preferred, making them out to the Conway School Lunch Program. If you send in money, please clearly identify the student's name so it can be added to the correct account. All checks and money can be dropped off at the main offices or brought directly to the school cafeteria before the start of school each day.

Lost Cards:

If a student loses their ID card, they should come to the main office to report the loss. A \$5 charge will be issued for a replacement card.

Free and Reduced Lunch:

Nothing will change for students who have already been approved for free lunch. Those who have been approved for reduced lunch will need to place money on their child's account. When a lunch is purchased, the student will swipe their ID and the system should already have the account formed in the appropriate manner. All accounts are confidential. We encourage everyone who feels they might qualify for free and reduced lunch, to fill out and return the attached application if you have not already done so this school year. If your family circumstances change, please be aware that you can apply at any time during the school year for free or reduced lunch.

Reminders:

- * Send in money/check NOW to be put on your child's account.
- * The accounts will be accessed **starting November 9, 2009**.
- * You still need to pay as you have been for any lunches, prior to November 9, 2009
- * Free and reduced lunch applications are also available at WWW.KHSMWV.com

If you have any further questions you can call KMS at 447-6364 or KHS at 356-4343.
