

SCHOOL DISTRICT GOALS AND OBJECTIVES

The Bartlett School will:

1. Endeavor to teach basic skills in such a manner that each individual child shall, as nearly as possible, achieve his/her highest potential.
2. Endeavor to develop personality, character, citizenship, love and understanding.
3. Realize the importance of health and physical fitness, art, music and other cultural learning experiences that are greatly needed in the north country.
4. Help the child to become a decision-maker and to follow or change, in a democratic manner, law and order.
5. Have pupils become involved in community projects, local, state or national in scope.
6. Show consideration and thoughtfulness to those around us.
7. Develop promptness, honesty, and independence.
8. Help to broaden a child's outlook on life, teach socially acceptable behavior and self control.
9. Treat all pupils equally but as individuals.
10. Prepare upper grade pupils for Kennett and hopefully for life in a manner which will allow them to be successful and worthy citizens, after all, they are the future.
