

DISRUPTION OF SCHOOL ACTIVITIES OR SCHOOL CLIMATE

Staff who have marched as a group on school grounds, who have gathered as a group on school grounds when not performing their duties, and who have entered or exited the school building as a group, in the presence, view, or hearing of students, have caused many students great anxiety and have disturbed and interfered with discipline, concentration and education of students at the school. Accordingly, effective immediately, the above described activities which occur in the presence, view, or hearing of students are prohibited. Staff who violate this policy will be subject to disciplinary action, up to and including dismissal from employment.
