

PHYSICAL EXAMINATIONS OF STUDENTS

A complete physical exam shall be required (N.H. Law RSA 200:32 and 200:33) of all children prior to entering kindergarten, first grade and all transfers. Physical exams are also required of all children in grades 5 and 10 with a statement of the results sent to the school. Pre-school registration shall include a health and developmental history on the child from the parents and screening tests in vision and hearing plus physical assessment by the nurse. In addition, all students in grades 7–12 who are participating in co-curricular sports must have an annual physical as required by NHIAA regulations

Adopted by the Bartlett School Board – June 7, 1983
