HARASSMENT

General Statement of Policy

The Conway School District is committed to providing all students with a safe and supportive school environment. Members of the school community are expected to treat each other with mutual respect and to accept the rich diversity which makes up the community. Disrespect among members of the school community is unacceptable behavior which threatens to disrupt the learning environment and decrease self-esteem.

It is hereby the policy of the Conway School District to oppose and prohibit, without qualification, unlawful harassment based on race, age, color, religion (creed), national origin, marital status, sex, sexual orientation, or disability.

Any unlawful harassment of a student by a member of the school community is a violation of this policy.

Refer to policies JBAA, JICK and GBAA for regulations to implement this policy.
