CROWD MANAGEMENT POLICY

For any public gathering of 300 people or more, a crowd manager must be identified and sufficiently trained pursuant to the criteria set by the local fire chief for the event.

Adopted by Conway School Board – April 11, 2005

Procedures

The crowd control manager must inspect emergency egress routes prior to the event. Any problem or impediment to the escape routes must be remedied prior to the start of the event. A safety announcement must be made at the start of the event identifying the emergency exits for the setting.
