

Summer Activities

The Board recognizes that student learning is an ongoing process and that it is important for students to engage in learning activities even when not attending school. Therefore, the Board encourages families to have a plan for summer activities that support student learning. Such activities may include a summer book reading list, attending an education-themed summer camp, engaging in extended learning opportunities, or other activities that support student learning.

New Policy – July 2008

Adopted by the Conway School Board – November 10, 2008
