

**GRADUATION**

Each student and that student's parents/guardian at the beginning of each school year will know whether the student is a Freshman, Sophomore, Junior, or Senior as determined by credits earned. By the end of two weeks after the second marking period, a senior in danger of not graduating will be notified of this concern by the principal, in writing, with a copy of the letter to the parents/guardian.

By the fifth school day in June, the principal must notify a senior and that senior's parents/guardian, in writing, of the fact that graduation requirements have not been met.

Only those students who qualify for a diploma in June may participate in the graduation ceremony and in graduating class activities.
