STUDENT PRODUCTIONS

Student productions are encouraged when such productions contribute positively to the educational goals of the District. All such productions will conform to rules established by the Superintendent and the building principal.

PRODUCTION REVIEW PROCESS:

The committee/team/group charged with deciding on a production will establish a process for review and editing the production. The committee/team/group's decision to include or exclude any submittal will be based on their best judgment on behalf of the Conway School District schools.

Adopted by the Conway School Board – September 12, 2005
