

JLCF

DAILY PHYSICAL ACTIVITY

The District shall establish a physical activity program that emphasizes the importance of daily physical activity and enables all students to participate.

Adopted by Conway School Board – March 13, 2006

PROCEDURES

Toward that end, the District will involve students, parents, staff, administration, and community leaders in assessing the school's physical activity environment, and will recommend an appropriate program of physical activity that will enable all students to take advantage of daily physical activity.
