

**Admission of Tuition and Non-Resident Students**

Non-resident students may attend district schools when their attendance has been approved by the Board. Tuition will be charged at a rate set by the Board and billed quarterly in advance to the sending district or parent responsible for payment. When a sending district is responsible for tuition, approval must be received from the sending district school board.

Under normal circumstances, the district will not provide transportation to and from school for non-resident and tuition students at district expense. However, the district may assist parents in finding and procuring transportation services for their children.
