

Student Absences and Excuses

Students between the ages stated in RSA 193:1 are required to maintain regular and punctual patterns of attendance. Each building principal is responsible for overseeing attendance procedures and for ensuring that:

1. Attendance is accurately checked, recorded, and reported to the school office each day for each class.
2. All student absences are recorded.
3. All permanent records of student attendance are maintained at either the school district or SAU central office.

An unauthorized absence is considered truancy and will be treated as such. Truant students may be subject to school disciplinary measures in line with applicable Board policies.

Absent students not having parent/guardian permission are considered as being truant. Students so identified will be contacted by either a school official or the juvenile officer and brought to school. The school administration will send a letter to parents/guardian of the truant student. If the truancy problem continues, the school administrator will send by registered mail a letter to the parents of the truant student, indicating the nature and seriousness of the problem and enclose a copy of RSA 193:1.
