

## **Science Resources**

2019-2020

### **NGSS Topic Arrangement of Standards (September, 2017)**

This document provides an overview of the way in which the Next Generation Science Standards are bundled. Storylines for each grade level are provided to frame the way science would look for the year.

### **Mystery Science**

Mystery Science is an online resource geared for grades K-5. We have licenses for all elementary K-5 teachers in SAU9. There are units available to support the topic arrangement of standards. If you need login information, please contact Kadie Wilson.

### **SCALE**

The SCALE materials come out of Stanford University. They are designed to support middle school science. If you need access to the materials, please contact Kadie Wilson
