

**STAFF CONDUCT**

The Board reaffirms one of the oldest beliefs in education: One of the best methods of instruction is that of setting a good example.

The Board expects that the entire staff will strive to set the kind of example for students that will serve them well in their own conduct and behavior and contribute toward a school atmosphere that is friendly, but has a degree of formality. Staff members are required to abide by all N.H. laws, N.H. state administrative rules and Board policies, as well as the N.H. Code of Ethics for Educational Professionals and the N.H. Code of Conduct for Educational Professionals.
