

MINUTES

Category: Recommended

Under RSA 91-A, the school board, and each of the school board's committees (*irrespective of whether standing or ad hoc, and irrespective of whether deemed a sub-committee or an advisory committees*) is required to keep minutes for every "meeting" as defined under 91-A:2, I. As used below, "Board" shall mean and include the district school board, and each such board committee.

The Board will keep a record of the actions taken at Board meetings in the form of minutes. At a minimum, all minutes, public and non-public, shall include:

- 1) the names of members participating,
- 2) persons appearing before the School Board (any persons other than board members who address the board or speak at the meeting;
- 3) a brief description of each subject matter discussed;
- 4) identification of each member who made a first or second of any motion;
- 5) a record of all final decisions;
- 6) When a recorded roll call vote on a motion is required by law or called for by the Chair (or other presiding officer), a record of how each board member voted on the motion; and
- 7) In the event that a board member objects to the subject matter discussed by the board, if the board continues the discussion above the member's objection, and upon the request of the objecting member, then - and irrespective of whether the objection/discussion occurred in public or non-public session - the public minutes shall also reflect (i) the objecting member's name, (ii) a statement that the member objected, and (iii) a "reference to the provision of RSA 91-A:3, II that was the basis for the discussion." (See RSA 91-A:2, II-a.).

Notes and other materials used in the preparation of the minutes must be retained until the minutes are approved or finalized, *and shall likewise be available for inspection during that period.*

All minutes will be kept in accordance with RSA 91-A:2 and RSA 91-A:3 and will be in the custody of the Superintendent. *Requests for access to minutes shall be processed in accordance with Board Policy EH and administrative procedures EH-R.*

Approved minutes, except those non-public session minutes which are sealed, shall be consistently posted on the District's web site in a reasonably accessible location or the web site shall contain a notice describing where the minutes may be reviewed and copies requested.

Sealed minutes shall be reviewed periodically and unsealed by majority vote of the Board if the circumstances justifying sealing the minutes no longer apply. The Superintendent shall identify and bring to the Board's attention minutes which have been sealed because disclosure would render the proposed action ineffective where the action has been completed and the minutes no longer need to be sealed. The Superintendent will also identify any other sealed minutes where the justification for sealing no longer applies due to the passage of time. Generally, non-public session minutes are sealed because divulgence of the information would likely affect adversely the reputation of a person other than a member of the School Board, will remain sealed.
