

**EMERGENCY AND SAFETY PLANS**

It is important to the safety and well being of students and faculty of the Jackson School District that there be emergency and safety plans in effect. The principal will develop plans and procedures for the appropriate response to accidents, fire drills, bomb threats, lock downs, and emergency school closing.

The Superintendent of Schools will review and confirm that each building has developed the appropriate plan. The plan will be on file in the main office of each building.

Adopted by Jackson School Board – August 21, 2006
