A. General Policy, Transportation Coordinator and Determination of Residency.

The District will, make available transportation services to all regular education resident students grades K-8, who live at least 1 mile from their assigned school.

The Superintendent, or their designee, will fulfill the duties of Transportation Coordinator as described in this and other applicable Board policies.

Pupils who attend chartered public or non-public schools shall be entitled to the same transportation privileges within the District as are provided for pupils in public school using the same routes and termination points as are established for students attending the District's schools. Drivers may not load or unload pupils at other than authorized bus stops.

The District shall also provide transportation to, and pay transportation costs for, all students who reside in the District and attend a regional career and technical education center, or who attend an alternative program at a regional career and technical education center or other comprehensive high school. The Superintendent is responsible for recovering such transportation costs per RSA 199-E:8.

The Transportation Coordinator will establish bus routes, schedules and stops pursuant to Board policy. Routes will be developed annually and posted.

Parents who wish to request a change or exemption from any of the Board transportation policies, including bus routes or bus stops, may engage in the request and appeal process detailed in Policy.

C. Authorized Transportation Providers

The District authorizes students to be transported to school or school activities via school bus drivers, and to school activities via contracted carriers. See Policy EEAD for details.

All other authorized transportation of students must be in accordance with Policy.

D. Student Conduct on School Buses

Bus drivers have the responsibility to maintain orderly behavior of students on school buses and will report, in writing, misconduct to the student's Principal.

Student conduct while on District transportation is regulated in accordance with Board policy and any District or school rules implementing the same.

Students who violate regulations for student conduct within those policies may have bus riding privileges suspended. Such suspensions are in addition to other interventions or disciplinary consequences provided under the Student Code of Conduct [or other such rules as termed by the
